

Kitchen Video Display

No Kitchen Printer ~ No Printer Paper

Whether you want one Kitchen Video Display for the Expediter or replace all your kitchen printer, a Kitchen Video system will streamline your processes.

- Use a touchscreen or bump bar to scroll or remove orders
- Any screen size you need
- Show 10 orders or 20 orders at a time with large order wrapping
- Recapture ordered already bumped
- All day display and production item counts
- Bump orders from one display to another
